How to create a portal account after completing an interest form

The screenshot shows the Degrees of Change website. At the top, there is a navigation bar with the Degrees of Change logo on the left and two buttons, "Redeem Invitation" and "Sign in", on the right. The main content area features a large heading "Seed Internships 2026 Application Now Open | Launch your career." followed by a paragraph: "Gain hands-on experience with local employers through paid summer internships. Be part of a cohort-based model and participate in professional development opportunities." Below this text is an orange button labeled "Submit an interest form". To the right of the text is a photograph of a man speaking at a podium with the Degrees of Change logo on it. A screen in the background displays a video conference with multiple participants.
