

OUR MISSION

We prepare diverse, **homegrown leaders** to succeed in **college & career** in order to build more vibrant and **equitable communities**.

OUR PROGRAMS

Our programs identify and support the next generation of community leaders on the path to meaningful careers and life-long impact.

Act Six

Act Six is a leadership development and college scholarship program that brings together diverse cadres of emerging leaders who want to use their college education to make a difference on campus and in their home communities.

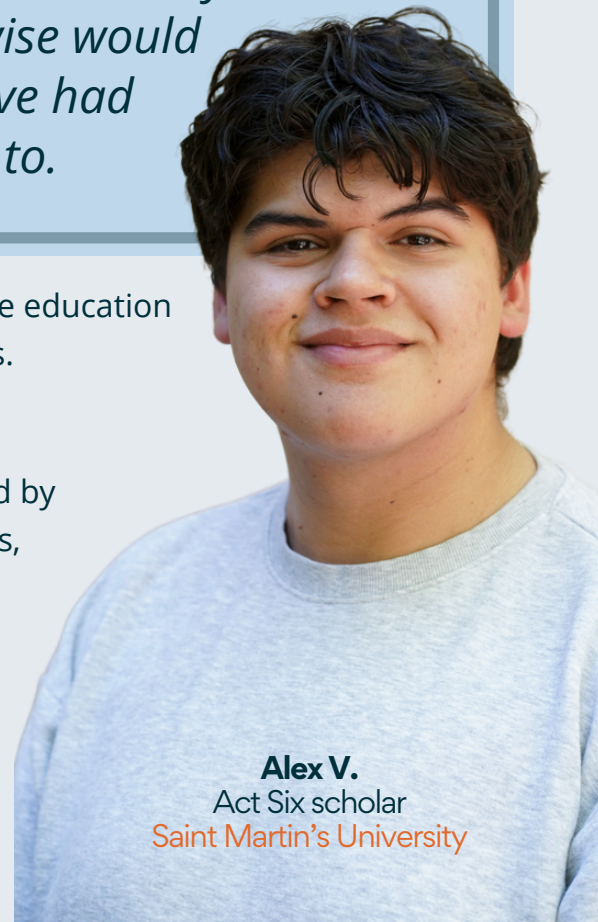

Seed Internships

Seed Internships invests in the vibrant future of the Puget Sound by identifying exceptional diverse college students and recent grads, and matching them with top, local employers.

Seed Teachers

Seed Teachers offers diverse Pierce County students a cohort-based, debt-free path to their college degree and teacher certification—all leading to a high-impact teaching job back in their home community.

“Act Six has presented great opportunities to me socially and academically... that I otherwise would not have had access to.”
